

# 2018-19 ANNUAL REPORT

### Our Mission

To prevent the neglect and abuse of Oklahoma's children through parent education and support.

### How We Do It

Our trained parent educators provide home-based services that help parents provide their children with a safe, loving and nurturing home. We work with parents to empower them to put their children on a course for success in life by delivering the tools, education and support they need to raise their children in an environment that allows for the proper developmental, emotional and physical growth every child is entitled to.

### Your Generous Support Appreciated

Parent Promise is able to do the work we do through the generous support of our donors and the local community. We invite you to support our mission so our family-focused services can remain free and voluntary.

### 2018-19 Donors

Those listed below donated monetary funds or in-kind donations of \$500 or more.

- |                                   |                                  |
